Build Confidence and Character at Summer Camp

Over the past year, our youth have been through many changes and challenges. Making time for your child to reconnect with nature and their peers will be especially restorative this summer.

Located on 317 acres of rolling hills outside of Ashland, Neb., Carol Joy Holling Camp hosts weekly Sunday through Friday residence camps for Kindergarten through 12th graders, as well as three-day/two-night camps for youth and adults with special needs. In a typical summer, more than 1,600 campers experience the personal growth, genuine fun, and friendships formed on warm summer days at Carol Joy Holling Camp.

Trained college-aged Summer Ministry Team members serve as role models for campers, leading them through activities such as high ropes challenge courses, horseback riding, swimming, boating, creative arts, Bible study, and many other classic camp activities.

Living with the reality of COVID-19, some elements of camp will look different than usual this summer. For information on what adjustments are being made, visit CarolJoyHolling.org/safety

At Carol Joy Holling Camp, no child is turned away due to their inability to pay thanks to the support of generous individuals, families, organizations, and churches across the Midwest. Contact Jessica Wertz at JWertz@NLOM.org or 402-944-2544 for campership information.
