

Endowment Funds: Keeping Faith Alive

Nebraska Lutheran Outdoor Ministries (NLOM) is excited to share that the building portion of the

TrailHead: Shaping Faithful Leaders

campaign is completely funded! The new Hazel Dillon Lodge has truly been a blessing for our younger campers as they build and grow relationships with God, make new friends, and enjoy God's creation.

Now our attention is focused on the two campaign endowments. The Camp Fees Endowment will sustain our campership fund and the Seminary Scholarships Endowment will provide scholarships to gifted Summer Ministry Team members called into professional ministry. NLOM strives to shape faithful leaders for the church and world, and we are proud to share that 49 of our former Summer Ministry Team members have become ordained ministers.

Camp Fees Endowment: \$1.5 million

Earnings will provide partial or full camperships to individuals who need financial assistance in order to attend camp.

Seminary Scholarships Endowment: \$500,000

Earnings will provide seminary scholarships to gifted Summer Ministry Team members. In this way, our work in shaping faithful leaders extends well beyond the boundaries of camp.

"Carol Joy Holling Camp has been, and will always be, a foundational aspect of my call to ministry in God's church. My summers on staff as a counselor showed me the greatness and glory of God's creation. Above all, my time at Carol Joy Holling Camp has instilled a deep appreciation for hospitality—for making others feel welcome, appreciated, and loved."
– Evan

"Serving at Carol Joy Holling Camp strengthened my faith. I loved spending my summers in creation, and I truly enjoyed sharing my faith with all the campers and guests. Camp's welcoming atmosphere and care for all who enter has showed me what God's church is all about." – Hillary

Thank you! We are very honored to be the first recipients.
