Programs fit your schedule

We offer three-day/two-night camp sessions in the summer (J1:9 camp) and half-day camp sessions in the spring and fall (Jay Novicki).

No camper is left out

All activities are designed to be inclusive of campers at all ability levels.

Carol Joy Holling Camp

No matter the program they attend, our campers have an experience that stays with them long after they leave camp.

Staff and volunteers lead programming at a ratio of approximately 2:1. Campers' needs are top priority.

Those needing assistance with tasks of daily living (e.g. eating, using the restroom, or showering) must bring an assistant or aide with them.

While our camp is not 100% handicap accessible, we make all possible accommodations for campers. If you have questions about accessibility or activities, please call **402-944-2544** to discuss your individual needs with our registrar or program staff.

Jay Novicki Day Camps

Jay Novicki day camps are an opportunity for participants (21 and older) to enjoy a taste of camp. Each half-day session includes worship, an inclusive activity, and lunch. Every month has a new theme, and campers are encouraged to return month after month!

All activities are designed to be inclusive of campers at all ability levels. Activities may include:

- Adaptive archery
- Rhythm exploration with Michael Fitzsimmons
- Creative arts
- Carnival games
- Fishing
- Outdoor education

A generous donor has subsidized much of the cost of the Jay Novicki program; leaving registration at just \$10 per camper. Multiple day camps are offered each month, and campers are encouraged to choose just one session per month. Registration closes one week prior to the event.

J1:9 Summer Camp

I hereby command you: Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go.

-Joshua 1:9

The J1:9 summer camp program is a three-day/two-night program with sessions for youth or adults to facilitate friendships among peers. Each session campers get to experience many of the traditional summer camp activities – swimming, sno kones, fishing, Bible study, campfires, and worship.

J1:9 campers stay in the Sjogren Retreat Center at Carol Joy Holling Camp. The Sjogren Center is equipped with the comforts of home including retreat style bedrooms, restrooms, large inviting gathering spaces, and outside decks overlooking God's creation.

J1:9 campers receive a Summer Camp t-shirt and participate in a closing program at the end of their camp session.
